

### Why Our Plans Work

**Flexible entry points** — try it free, scale up as your practice grows.

**Clear ROI** — pricing is designed so that even a handful of reimbursed sessions covers your cost.

**No hidden fees** — you pay per report or per provider/month, with transparent billing.

### Flexible Packages

**Free Trial** — get started risk-free and we won't charge you until your first billed month. You'll get full access to features so you can seamlessly transition into the plan of your choice.

**\$45 Per Report** — paying per report allows you to use SessionGlance commitment-free while still getting full access to features and customer support. Billed bi-weekly based on usage.

**Enterprise** — this plan is made to fit both growing and established organizations looking to enhance their practice. You get first access to new features and unlimited reports billed monthly. This plan is ideal for high-volume groups looking to maximize efficiency and providing more care.
